Mike Brustkern,

It has been a pleasure working with you and your team over the past year. I must say that if I were looking to sell my company or bring on partners in the future, I would use Exvere once again without hesitation. Not only did you bring three qualified buyers to the table all at once, you proved to be "the master negotiator" when it came to dealing with people. You were able to get top dollar for my business, (more than I expected) and also help me to retain part of the company as well.

The people you have working for you were a big help as well. We especially enjoyed working with Mike Bennit. Mike is smart, always professional, and easy to get a hold of when needed.

Thanks to you and your team for getting top dollar for Codel, for holding our hand through the process, and for all the help the Exvere team has been from the start to finish.

Warm regards,

Brent Moss
